

Advisory: Door Turning Activity

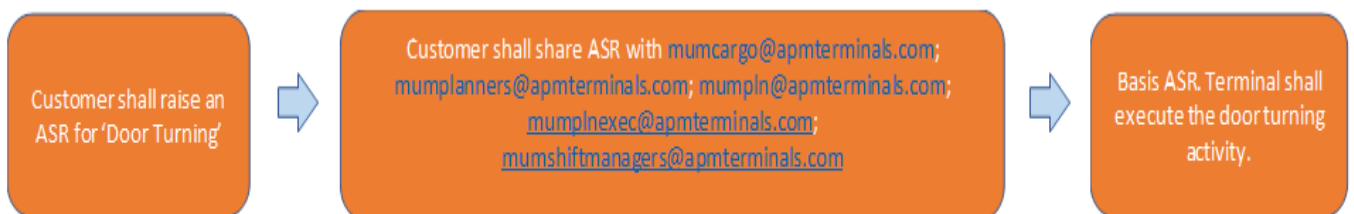

Date: April 08, 2021

Dear Valued Clients,

Greetings from APM Terminals Mumbai!

We are happy to advise that we have commenced offering '**Door Turning**' activity at the terminal for all import containers which are discharged in reverse door position.

Following process is to be followed for availing 'Door Turning' service at the terminal:

Customer has to raise ASR to avail this facility. The charges levied for the same shall be as per the TAMP authorised Scale of Rates in effect.

This activity has been included in our portfolio of services basis popular feedback from many customers and we hope that with this a long pending requirement is met.
