

Advisory: Staying Safe!

Date: April 19, 2021

Dear Valued Clients,
Greetings from APM Terminals Mumbai!

As you are all aware that we are experiencing an increase in the reported number of Covid-19 cases in the Mumbai Metropolitan Region. We hope that all of you, your families and colleagues are staying safe.

Whilst the local government has declared restrictions regarding movement of men and material, we would like to advise you that the terminal - as classified under essential services, continues to operate as per normal. We are taking all necessary precautions to ensure the safety of all personnel engaged with the activities at the terminal, to ensure that we continue to serve the trade.
