

Advisory: Cyclone Tauktae

Dear Valued Clients,

Greetings from APM Terminals Mumbai!

The Regional Meteorological Centre escalated the Local Cautionary Signal to III from the Local Cautionary Signal II yesterday, and has maintained the same caution level today. In order to ensure the safety of all, the terminal gate operations shall be suspended effective 2359 hours, today, 16th May'21 and subsequently the yard operations shall also be suspended effective 0200 hours 17th May '21.

Request you to cascade the above information to relevant stakeholders and transporters.

We are closely monitoring the situation and updates from relevant authorities and shall keep you updated of further developments on the same.

Thanks and regards,

Avinash Kachroo
